

**Clark County Community Development
Building Division**

presents

Residential Building Code Training

A synopsis of the 2003 International Residential Code, Clark County building code requirements, and application process.

**The 2003 International Residential Building Codes
go into affect *July 1, 2004*.
Will you be ready?**

2003 International Residential Building Code Training

Get ahead of the game
Avoid delays in processing your permits
Gain insights into the Clark County permitting process
and new residential building codes

Topics include

General submittal requirements; foundation footings and drainage; framing, beams, and decks; prescriptive design; life-safety provisions; and the energy code. Each section is followed by ample time to ask questions.

Date, Time, and Place

This class will take place in the sixth floor Hearing Room at the Public Service Center located at 1300 Franklin Street, Vancouver, on Saturday, June 19 from 7:30am to 4:00pm. Doors open at 7:00am. Parking is available in the parking garage adjacent to the north side of the building.

Cost

Free. Refreshments will be served. Lunch is on your own. There are many restaurants in the area.

Who should attend

Contractors, developers, architects, designers, engineers, and homebuilders.

Presented by

Clark County staff: the building inspectors, plans examiners, and structural engineer who review your projects.

Participants will receive

A booklet containing new plot plan requirements, a building permit application, information covering most of the major code changes including drawings and details.

Pre-registration is mandatory.

Seating is limited.
Contact Carolyn Carlson at (360) 397-2375 ext. 4586 by Tuesday, June 15 to reserve your seat.

Questions?

Contact Lou Malattia (ext. 4086) or Teresa Guise (ext. 4177) at (360) 397-2375.
